CHILDREN'S UNIVERSITY SCOTLAND BOOK REVIEW CHALLENGE!

Head to your local library and choose a book.

Write a review that explains what the book is about, how it made you feel and whether you'd recommend it to others (and why or why not)

Remember to use lots of colourful descriptions. Think carefully about how the review might encourage your reader to pick up this book themselves.

If you're not sure how to start, you can find examples of book reviews on the [Scottish Book Trust](http://www.scottishbooktrust.com) website.

Hint: If you're stuck, imagine you're talking to your best friend. What would you tell them about this book?
