

INSPIRE!

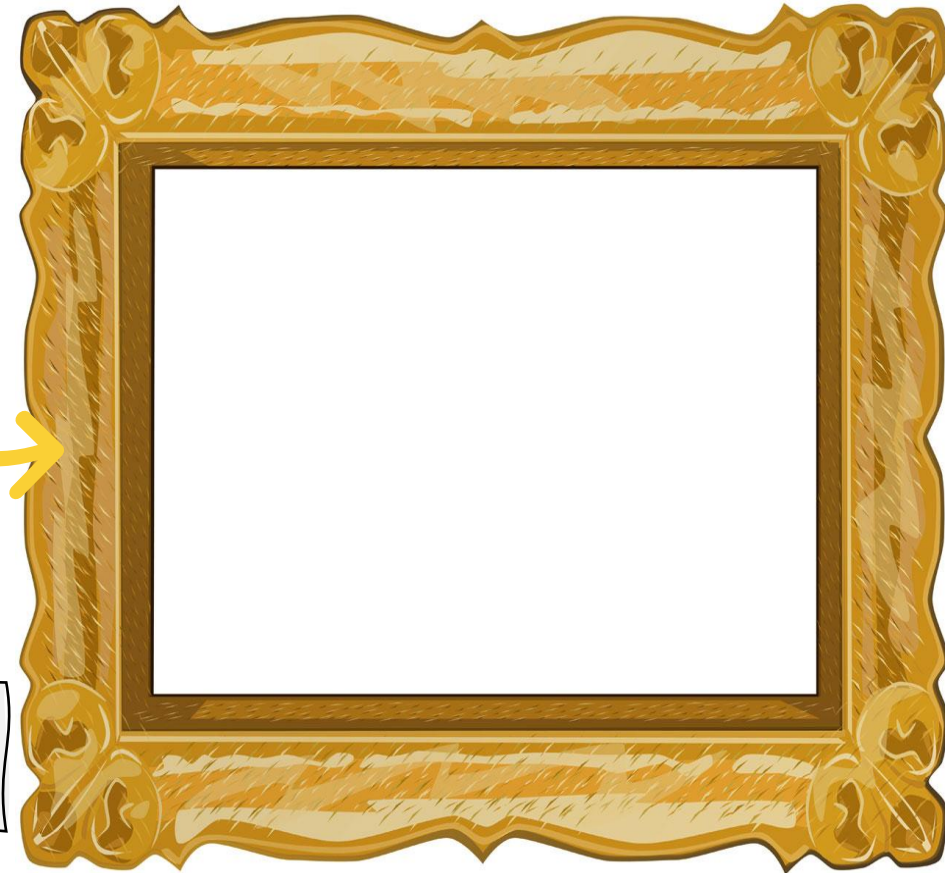

Activity 1: Your role model

Getting started: A role model is someone that you look up to and who inspires you! Answer the questions below and draw a picture of your role model in the frame.

1 Who is your role model? Draw a portrait of them in the frame.

2 Name a positive trait you notice in this person. Why do you admire this trait? Why do you think it's a positive trait?

3 Research your role model. What was the most interesting fact you found out about them?

Extra Time

Show your answers to a teacher or activity leader, talk about this positive trait and why it's important to you.

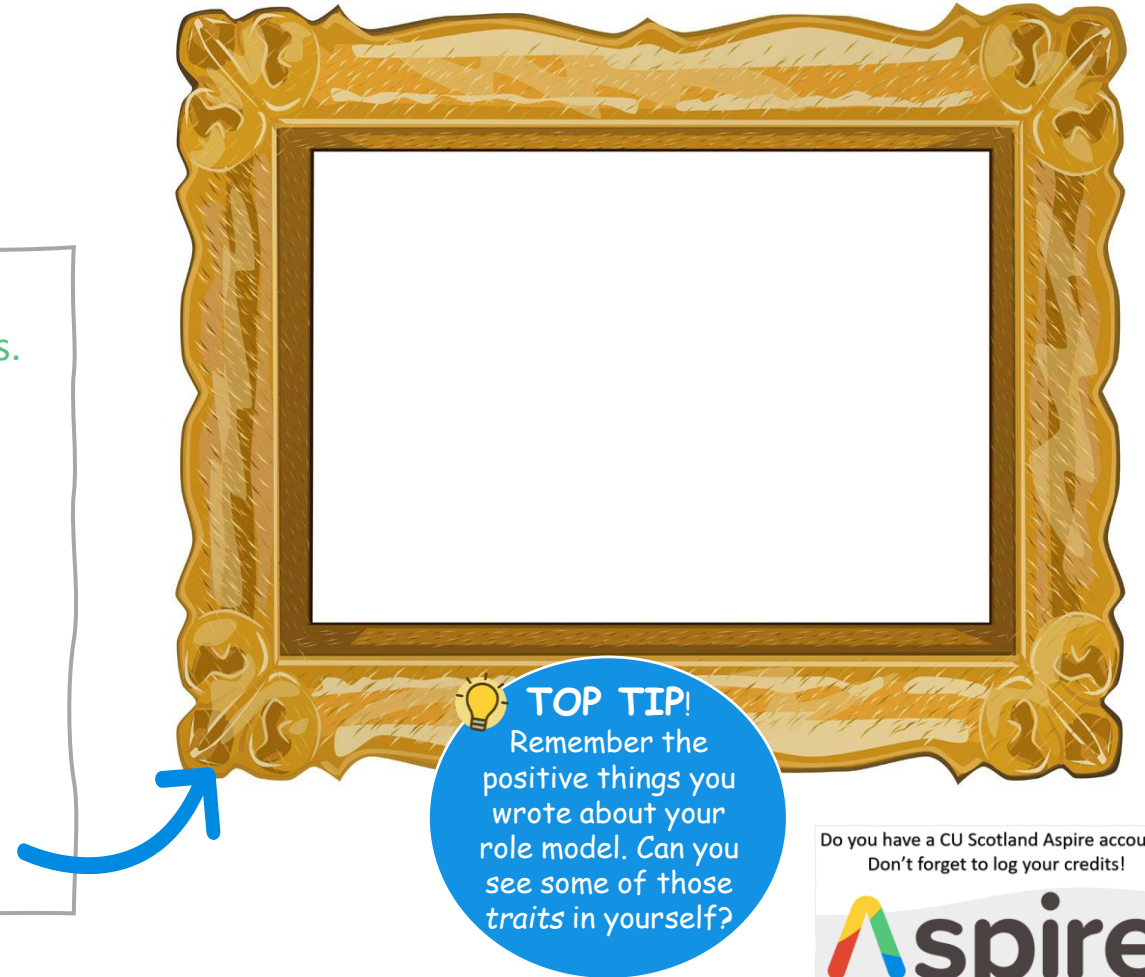

Activity 2: You can be a role model

Write and draw about how you can be a role model at school OR at home!

Write in this space about how you can be a role model.
Hint: Think about how you would like others to see your best qualities.

Now, draw a portrait of **you** as a role model in the frame!

Extra Time

Challenge yourself to take 3 actions this week which show this positive trait.
